## What We Do

At a time when human connection happens less and less, we create safe spaces for youth to gain confidence and social skills with peers and positive role models. Campers will make memories that will last a lifetime at any of our overnight summer camps:

## Our Story

In our programming, we have one goal in mind: to instill confidence in our campers. We have worked to develop an environment in which every camper can learn to feel comfortable in their abilities and the abilities of their peers.

## Who We Are

United Neighborhood Centers of Northeastern Pennsylvania (UNC) is a nonprofit organization that has been serving our community for more than 90 years. The agency's mission is to work together with neighbors to provide services and create opportunities that empower individuals and build strong, interdependent communities.

Our basketball camps are run by talented coaches with years of experience who excel as mentors to young people on and off the courts.
